

**Part 90. Confined Space Entry
Compared With
29 C.F.R. 1910.146 Permit-required confined spaces**

Summary: Part 90. Confined Space Entry is adopted by reference from 29 C.F.R. 1910.146 Permit-required confined spaces. The standards are identical except for the following rule found only in Part 90. Confined Space Entry:

R 408.19001 Scope.

Rule 9001. (1) These rules establish minimum requirements for the practices and procedures to protect employees from the hazards associated with entry into permit required confined spaces.

(2) The provisions of these rules shall be applied unless they conflict with specific requirements for confined space entry in any other general industry standard.

(3) These rules do not apply to agriculture, construction, or to shipyard employment.
